

Blotto Block - May 2018
Blotto Drawing Wednesday, August 8th

Block Size: 10 1/2" x 10 1/2"

Guild fabric: Cut one 3" x 13" strip of purple
Cut one 6 1/4" square of purple

Your fabric: Cut one 3" x 13" strip of off-white or ivory, can be tone on tone (NO white)
Cut one 6 1/4" square of off-white or ivory, can be tone on tone (NO white)

Half Square Triangles (HST):

Mark a diagonal line on the back of the off-white 6 1/4" square you provided. Place the marked off-white square and the 6 1/4" purple square, provided by the guild, with right sides together (RST). Sew a scant 1/4" seam on each side of the line drawn on the back of the white square. Cut the squares apart on the drawn line to make two triangle units. Press each triangle unit open with seam towards the purple side. Square each unit to 5 1/2".

Sew a scant 1/4" on both sides of line

Cut apart on drawn line

Trim to 5 1/2"

Four square patch:

Place the off-white strip with the purple strip, with the right sides together (RST). Sew a scant 1/4" seam down one long side. Press the seam towards the purple. Cut four 3" units from the strip. For each 4-patch, take two units and place right sides together, making sure opposite colors are facing each other, sew and press seam to one side. Repeat with other set. These two 4-patches should measure 5 1/2" square.

Finish block:

Sew one 4-patch to one HST as shown in diagram below, repeat with other set as shown in picture. Then sew the two sets together as shown.

You will have one complete block when finished.

Please make sure your block meet the size and color requirements so it qualifies for the blotto drawing.
