Longarm Quilting with Dusty Farrell:

Dusty will be demoing everything from loading the machine, differences in batting, how to fight wrinkles, marking, edge to edge quilting techniques and rulers on a longarm. Dusty will share his tips and techniques to help you be more comfortable with both free motion and ruler work. Dusty will have his longarm machine set up to do demos and provide handouts.

*Supplies needed: Bring your notepad and your questions.*

Ruler Mania with Stephanie Farrell

Ruler Mania: This class is intended to inspire and assist beginner and intermediate quilters to become more confident with their ability to use templates and rulers to enhance their designs and techniques. The class is packed full of Tips and Tricks on achieving precision and accuracy using a wide range of different shape rulers (bring your own if you have them) to achieve straight lines, perfect circles and dozens of design filler ideas for blocks, sashing and open background spaces. This class will cover handling rulers with accuracy and precision, straight lines, waves, circles, angles, crosshatching and a multitude of shapes and ruler designs. Stephanie will be bringing their new ¼" templates, smaller templates and more dense quilting templates.

Supplies needed:

- One set of one yard sandwiched fabric (2 yards of fabric sandwiched)
- Your sewing machine ready to go to work (thread and bobbin full); NO SLANT shanks
- Your favorite marking pen
- Scissors, snips and cutter
