

## Programs: 2018

7 July, 2018: Quilt Room Tour: Strip map and addresses are provided. There will be a contest on: the most creative use of space, largest stash, and smallest space of the sewing rooms. Voting slips will be available at the guild and at their homes for the contest; deposit the slips in containers provided or at the guild. Prizes to be announced at Aug meeting. Use the numbers assigned to each individual on the strip maps next to the category on the slip. Thanks to the five who have volunteered to show off their sewing areas; Wendy Seals, Connie Worden, Donna Viitanen, Joyce Larson, and Coni Tiefel.

6 & 8 Aug, 2018: Needlework Guilds, Tucson guild members will showcase their Guilds needlework.

5 Sept, 2018: Sewing Room Sale

1 & 3 Oct, 2018: Swan Amity will present a program on fabric painting

5 & 7 Nov: Challenge Quilts

3 & 5 Dec 2018: Holiday parties

## Workshops

18 AUG 2018: **Barn Quilt Painting**: 9 slots for volunteers painting blocks for the Guild; 12 slots for those wanting to paint your own 24" x 24" block for \$25.

2 Oct 2018: **Watercolor for Quilters** 9 am to 1 pm, \$30 per person.

### Supplies:

Paint brushes in various sizes – I suggest a small starter pack containing at least two small flat brushes (#2, and #4) and a large flat brush (#16 or greater). Starter packs of brushes can be found in any local craft store, such as Michael's, Joanns, or an art supply store such as Aaron Brothers.

A small, well washed jelly jar or recycled jar with a good tight fitting lid. Keep in mind if your jar smells like pickles, your project is likely to smell like pickles as well.

1" masking tape. Please do not bring blue painter's tape. This will not hold your fabric down as tightly.

Marking tool (blue washout pen is best, pencil is also fine)

### Fabric:

1/3 yard Prepared for dye batik or Prepared for dye Kona cotton (tip: batik will be smoother to work with and the Kona will provide you with more texture in the fabric) – email Swan if you have trouble finding Prepared for Dye (PFD).

**Prior to class:** Cut one 10" x 10" square from your Prepared for Dye (PFD) fabric.

**For this class, Swan will provide 12 Derwent Inktense Blocks, 6 Pencils, and textile medium for each student to use in class. Students that already own Inktense Blocks and Pencils may bring their own sets if they like.**

- If interested, contact Nas at [nmazuji@gmail.com](mailto:nmazuji@gmail.com) - All classes must be paid in advance; make checks payable to the guest instructor. - Supplies list and pictures posted on the Programs and Workshops tab of our HSQG website.
