Japanese Temari Balls: Copper Queen Design
by Cynthia Hatch

Cynthia Hatch will offer the first in a series of three classes on how to make and decorate your very own temari balls. This first class will cost \$30 and include all the materials needed to make your own temari ball in an original Cynthia design. During this class you will learn how to make a mari ball and learn one stitch to decorate your ball. You will be able to complete one ball in class. Class will be from 1030am-1:30pm at the Guild.

Classes two and three (dates TBA) will teach you up to five stitches for five designs so you can complete your second and third temari balls. Classes two and three will cost \$15 each and you will bring all your own materials. (Supply list will be provided.) All classes will last only 3 hours.

Class one will cost \$30 per student and include all materials needed to decorate your temari ball.
