Japanese Temari Ball Workshop

Beginners Class I

September 9, 2017 10:30 – 1:30

Supply list:

- Package of colored ball head pins
- Tomato style pin cushion, or other kind you like best!
- Hem gauge, with centimeters and inches
- Collapsible tape measure in centimeters and inches
- Cheapo calculator or phone with calculator app
- Small, sharp scissors
- pencil
- Darnier size needles, with eye big enough for perle cotton
- Large regular hand sewing needle, one is fine.

I will supply the ball, and the thread that you need for this class # 1. And, I will bring rice hulls by the pound that you may purchase for class #2 where you will make your own mari. A pound of hulls makes about 13- 16 maris and it will cost \$8 per pound. All the threads for class #2 can be purchased at Joann in Sierra Vista, but the Tucson store has a far bigger selection of colors! I will bring the supplies list for class #2.

See you there!
