

GUILD PROGRAMS & WORKSHOPS

As of 23 June 2022

PROGRAMS

Sat, 23 Jul 2022 – A fun day on our annual Sewing/Quilt room tours! We will meet at the Guild at 9:00 am and will provide you with a map to the homes of our members who have so graciously offered to open their homes to us. There will be 6 homes and we ask everyone to carpool from the Guild so that we will not have traffic jams with parking at each home.

Tues, 16 Aug 2022- Morning & Evening – Swan Sheridan will give our program this month. Information will be in the next newsletter.

Tues, 20 Sep 2022 Morning & Evening - Lisa Ellis is the current owner of Cactus Quilt Shop in Tucson. Her program is TBD. Check in next month's newsletter with specifics on her program.

Tues, 18 Oct 2022 Morning & Evening – Keith Dommer will be presenting his trunk show: "Keith Dommer Beginning To Middle". Keith provided us with a handout with small pictures of each quilt he will be showing so that you can record notes etc. to keep for yourself. We will make copies and have them available at the meeting.

Tues, 17 Jan 2023 Morning & Evening – Suzie Weaver will give our program this month on: "How to prepare your quilt for a Quilt Show". Everything you need to know to get your quilt ready.

Tues, 17 Feb 2023 Morning & Evening - A heads up for next February's program: Arlene Walsh will be our guest speaker. Arlene is from Green Valley, and we will have more information on her program later.

Wed, 21 Sep 2022 – Workshop TBD. Lisa Ellis is the current owner of Cactus Quilt Shop in Tucson and loves to work with the wonderful community of quilters. Waiting to see what exciting workshop is coming.

Wed, 19 Oct 2022 – Keith Dommer is from Tucson, AZ and will do a workshop on turned-edge machine quilting. The gentle curves of this modern applique block are fast, easy, and fun to create and stitch by machine. Best of all: your friends will think you've done your applique by hand. Let Keith show you the simple steps of preparing cured shapes for turned-edge applique and stitching them down invisibly by machine. After this class, you won't want to make just three blocks – you'll want to make a larger quilt and become an expert at both inside and outside curves. You can do this! <https://www.keithdommer.com>. He is also on Facebook.

Wed, 18 Jan 2023 – Suzie Weaver workshop is "Fine Tuning Your Quilts & Getting Ready for a Quilt Show". Suzie will teach a 4-hr workshop on how to make better bindings, block quilts, and make sleeves. Everything to make your quilt its best!

Tues, 22 Feb 2023 – Embellishments! Arlene Walsh will be presenting a workshop on embellishments which will include embellishing with beads! Details to follow.
