WORKSHOPS

Wed, 19 Oct 2022 – Keith Dommer is from Tucson, AZ and will do a workshop on turned-edge machine quilting. The gentle curves of this modern applique block are fast, easy, and fun to create and stitch by machine. Best of all: your friends will think you’ve done your applique by hand. Let Keith show you the simple steps of preparing curved shapes for turned-edge applique and stitching them down invisibly by machine. After this class, you won’t want to make just three blocks – you’ll want to make a larger quilt and become an expert at both inside and outside curves. You can do this! <https://www.keithdommer.com>. He is also on Facebook.

Wed, 18 Jan 2023 – Suzie Weaver workshop is “Fine Tuning Your Quilts & Getting Ready for a Quilt Show”. Suzie will teach a 4-hour workshop on how to make better bindings, block quilts, and make sleeves. Everything to make your quilt its best!

Thurs, 21 Feb 2023 – Michelle Watts will be back! The workshop will be on Improvisation. More information will be coming.
